TURNER LOUDLY PRAISED. Cleveland Writer Raves Over Brilliant Work of Infielder

A Cleveland writer raves over Terry Turner. Nine seasons he has played rival in his playing the third corner a chance to better his mark in the curing the last two seasons. Nine years finals tomorrow. company and to lead the league | Norman E. Taber, the Brown capin inficider. He played only 17 games He will also run in the mile. The in 1908 and 26 in the following season. Olympic star covered the distance in late is fielding in these sessions 3-4 of a second short of the record toshowed the same consistency as his day, covering the half mile in 1 min- work has been fine, but he has not been hitting until last week, when he

bad it not been that he often retired tion. i games at short or third. In those men placed. cames he has made exactly 200 vere made during his first two years

His third base experience has been nothing short of phenomenal, as in 193 omes at the difficult corner Cotton is made only 27 errors, an average of one in every seven contests. In 1911 or erred only 10 times in 92 games, highest mark ever attained by an American league third baseman. His 368 in 1908. Back in 1904 Bobbs Wallace put up a percentage of .955 a short. Turner heat the mark four imes dirice his career at short, his New York, May 28.—Speculation ast re ord being 572 in 1910, when he lacked the vilatity to carry further toe made only 14 errors in 94 contests. Since it entered the American league and the effect of today's trading on the Circle and has not had a shortstop nor a third sacker who has compared with Tarner in fielding ability with the traders who looked for a continuation traders who looked for a continuation of single exception of Bradley. For in-single exception of Bradley. For in-stance, glance at Turner's marks and strength abandoned efforts to bid up then take a look at the fielding records up prices early in the session. The rathered by other Naps who have list opened fractionally lower, and alliance short. In 1901 Cleveland had though there was no pronounced presture shortstops who fielded thusiy: sure, stocks sagged generally during leGuire 341, Scheibeck \$35, Shay the fore part of the day, Subsequent-383 Gochman took down a mark of ly the market moved upward slowly, 323 in 1905 and 375 the following sea-son. Then Turner dropped in for four cases. 1508, when Terry's arm went back on There was renewed liquidation in years with 345, 244, 260 and 950. In some quarters of the 1 .tsl him, Bradley, Perring and Hinchman some quarters of the list. Pennsylvatried to take his place. Bradley suc-ceeded to a certain extent, acquitting himself with an average of 351, while brancisco securities continued their Ferring dult with 928 and Hinchman procipitate decline. The first preferred Ball went at a .914 clip and fn 1909, as compared points, and the second preferred le-

sleng with .927 and Knaupp with eral of the low priced industrials in-That ended Turner's service at short. He relinquished that position to Olson, foreign markets, and London sold who fielded 200 in 1911. Peckinpaugh about 5,000 shares here on balance. with 917 and Chapman with 304. It will be thus seen that Turner's composite average is far better than the posite average is far better than the re-year mark of any other man who the investment situation was as inhas played short for Cleveland in 12 definite as the New York city bond years. What great value he would issue here, the direct stimulus hoped have been to Cleveland had it not been for having been imparted in neither the unfortunate fact that his arm case. The new city bonds were traded has lost some of its strength and he is in freely today at 100 and 100 1-8. subject to a kink in his neck which Another gain in cash by the banks has necessitated a rest now and then as a result of the week's operations His fielding has been far better than was predicted. Forecasts of tomorrow's his batting, as his records show he has bank statement pointed to a cash gala never been a 300 hitter in fast com-never been been a 300 hitter in fast com-never never been a 300 hitter in fast com-pany. His nearest approach to that figure was in 1906, when he hit .291. Although his arm is not as strong as Although his arm is not as strong as United States threes coupon deslow hit balls, make him the best | call, the latter receding to 114. Later fielding third baseman in the league. 114 7-8 was bid.
